Uniform and Dress Code

Archway Trivium|West has a primary objective of developing a "community of learners," dedicated to the highest standards of academics and deportment. As such, a distinctive uniform is a unifying factor within our school community. It is also a visible signature of our school to the larger community, an indicator of our unity and of our pride of purpose. This is one of the most important functions of a uniform: it identifies its wearer as part of a distinctive group with a distinctive purpose. It is a reminder to its wearer of that purpose and of one's responsibility to that group.

The uniform is the basis of a dress code with a "professional," business-like standard. Our students should dress their best, look their best, and do their best. All clothing must be clean, neat, reasonably pressed, and in properly fitting condition. If a child is deemed to be wearing inappropriate attire, the parent will be notified and a change of clothing may be required for attendance that day. If in doubt about the appropriateness of an article of clothing, check with the school office before purchasing. Good judgment exercised at home will be a learning activity for the child that will help to avoid embarrassment or wasted time at school. Decisions about the appropriateness of apparel may be referred to the Headmaster, whose judgment will be final. The Headmaster may make specific exceptions to the dress code, as demanded by particular religious customs.

If a student insists on rebelling by trying to beat the dress code, it will quickly become obvious to the faculty and Headmaster. Our desire is not to squash students' individuality, but to secure their commitment to a community of learners whose purpose, while at school, is not faddish coolness, or outlandishness, but scholarship and character development. We ask not only for the student's commitment to this concept, but for the parent's as well. The uniform and dress code of ACA support and reinforce our academic goals. The uniform assists us in staying focused on the true individuality offered by healthy dialogue and the development of the life of the mind for each student.

Other than the dress code requirements for school, there are special requirements for periodic, special events throughout the year, such as the "semi-formal" dress code for concert participation and the all-school awards ceremony. Please see the Family Handbook for an exact definition of how the Academy defines "semi-formal" attire.

Students must stay in uniform whenever they are on campus (including the parking lot) during a school day. This means arriving on campus *fully* in uniform and leaving campus *fully* in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with teacher/coach permission to participate in an approved curricular or extracurricular activity that requires an immediate change in dress.

Dear Families,

Welcome to Archway Trivium West! Please allow me to be the first to extend a heartfelt 'welcome' to you and your family on either being the newest members, or returning members, of our Archway Trivium West community. My name is Jennifer Dickman and I will be leading the Archway Trivium West Parent Service Organization (ATWPSO) in the upcoming school year. As your child either begins or continues their educational journey, your Archway Trivium West PSO would like to take a moment to inform you of who we are, what we do, and how we do it all, in hopes that you will join us.

Our mission states, "All parents and guardians of students currently enrolled at Archway Trivium West are members of the school's Parent Service Organization (PSO). Whether you are able to serve on a regular basis or on a more limited basis, we welcome you! We are a community of parent volunteers who provide a support system to enrich our scholars' academic experience. We are dedicated to providing the highest quality academic and social environment for our children."

Your ATWPSO aims to accomplish this goal with an active and generous parent body working together. Therefore, your ATWPSO strives to reinforce a positive, great-hearted community by providing many volunteer opportunities for all, to facilitate communication at every level, plan and host family appropriate social activities, and take a leadership role in raising the necessary funds that will benefit our students, families, faculty, and staff of Archway Trivium West, for years to come.

Our community is diverse, supportive, and growing. As we grow as a school, your ATWPSO also grows. We strive to build efficient structure and reinforce the strong foundation of the great-heartedness we are working hard to create. We are always changing and looking for new ways to succeed. Your support of the ATWPSO is vital. With that being said, we are strongly encouraging 10 hours of service per family in the upcoming school year. If each family could commit at least 10 hours of service, the possibilities would be endless! Your service is vital to our success.

Again, if you are new or returning to Archway Trivium West, welcome to our community! If you have any questions or are interested in getting involved, please feel free to contact me at archwaywestps@gmail.com.

Warmest regards,

Jennifer Dickman
