

CONVERSATION PROJECT: Life After War

When does a war end? Does it ever? Many returning soldiers bring wars back with them, reaching beyond the battlefield, infiltrating the very thing that defines comfort and safety: home.

Join us in a conversation with freelance photographer and writer **Jim Lommasson**, who has collected oral histories from returning soldiers and documented their struggles at home.

Special guest: Award-winning poet **Frances Richey** will lead a reading of "Voices of the Guard," a homecoming poem created in support of CCC's Military Families Scholarship Endowment and in honor of the Oregon National Guard.
