Couples, presented by Dr. Aaron Feldman of the Jewish
Marriage Initiative

followed by couples strengthening workshops

Falling in love is easy. Staying in love – that's the challenge! How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? This is the topic Dr. Aaron Feldman will help us explore

Dr. Aaron Feldman received his Masters in counseling from John's Hopkins University and his doctorate in Counseling Psychology from Georgia State University. Dr. Feldman has been providing mental health services for adults, families and children in a variety of settings since 1995. He serves in an advisory capacity to the Jewish Marriage Initiative.

Moshe Frank was a beloved member of the Torat Emet community, who was taken from us much too soon. One of his passions was a firm belief in healthy relationships. He introduced the congregation to the Jewish Marriage Initiative and the Five Love Languages, and his distribution of the book (The Five Love Languages) helped numerous couples in their quest for healthy communication.
