

EAST CAROLINA COUNCIL IS PLEASED TO ANNOUNCE:

2016 SPRING PEANUT SALE!

Can you taste 'em? Whitley's "Home-Cooked" peanuts have a wonderful, crunchy freshness and distinctive flavor because our peanuts are still made the old-fashioned way—hand-cooked, slowly roasted to perfection.

70% of Retail Supports local Scouting.
The selling unit keeps 35% of Retail Sales.

Attention Scouters and friends:

Whitley's offers more than 40 different products to sell.

The optimum number of items on a sales form is between 10 and 15 products. YOU can help us pick the product line-up. We will have a meeting one evening this summer with our Whitley's Sales Rep to sample, see sizes and pick our 2016 Product Line-Up.

ACTION ITEM:

If you would like be a part of this tasting and selection group- please e-mail Richard at richard.bogan@scouting.org and you will receive an invitation to join us! The location will likely be in Greenville. Bring a Friend!
