

## Lewis-Deanes Cub Scout Leaders Hold Two Wonderful Twilight Camps

With great leaders comes great work, and that is exactly what the result of not one but two Twilight camps was for the Lewis-Deanes District on the week of June 15<sup>th</sup>-19<sup>th</sup>. With the Lewis-Deanes District being so spread out, it is sometimes difficult for parents from one side of the district to be able to make it all the way to the other side five days in a row, so our leaders took it upon themselves several years ago to create a second event so that more of our Scouts could participate. The first was held at Manning Elementary School in Roanoke Rapids, and the second was held at Chowan University in Murfreesboro, both of which have been wonderful friends to our Scouting units throughout the years. The hard work of four leaders to organize these events and help other two run them does not go unnoticed with the time and dedication, and the ability for them to recruit other top leadership to assist in great programs.

The Lewis-Deanes district cannot thank you all enough, so to the following leaders, we tip our hats to you!

Lisa Garris: Roanoke Rapids Program Director

Tracey Snowbarger: Roanoke Rapids Camp Director

Jeanine Kosmickie: Murfreesboro Program Director

Carrie Hairston: Murfreesboro Camp Director

Between the four of them, over 45 scouts received the benefits of over 20 years of Twilight Camp Leadership. I know too, that these wonderful Scouters couldn't pull it off without a list of supporters that are too long to fit on here, because all of the leaders and parents from Pack and Troop 238 and Pack and Troop 129 give so much time and effort. Scouts had the opportunity to earn the STEM Nova Award, shoot BBs and archery, print their own t-shirts, make all sorts of science goo and goops, and learn about hiking and orienteering as well as much more.
