

It was a 107 Degrees in the woods at Camp Sam Hatcher; June 15th – 19th, for the Croatan District Cub Scout Day Camp. It was a hot but a great, fun week for all in attendance. Camp Director, Kim Quintero, was super excited to have almost 100 Cub Scouts registered for camp this year. Cub Scout Units included Pack 61, 130, 252, 446, 460, 472, 551 and 677 were represented.

The Camp Program Director, Jessica Hult, had numerous fun and exciting activities planned for the scouts to enjoy. Everything from BB guns, archery, outdoor flag ceremonies, first aide, relay races, arts & crafts, HUG-A-TREE, and the Wild Turkey Foundation.

Boy Scouts were at camp assisting in camp activities, running stations, and helping wherever they could. The boys represented their Troops well this week. In some areas of camp, the boys assisted the adult leaders with the activities; while in other areas, the boys led the activities, like outdoor flag ceremony, flag folding, and flag retirement They even helped out at the ranges and nature lodge.

Thank you to all the volunteers and Scouts to make this great camp a successful one.
