

## Caswell District Honors Distinguished Citizen Ben Rayford, past SM, Troop 74

On April 1<sup>st</sup> Brent Andrews led a Greene County Committee to a successful Fundraising Distinguished Citizen Event. The event honored Ben Rayford, past Scoutmaster of Troop 74 from 1950 - 1960. During this time period Ben Rayford had 10 Scouts earn the rank of Eagle; one of them being long-time Scouter Dr. Jack Harrell who, fittingly, was the Master of Ceremonies for the event.

The Greene County community honored the service Ben Rayford has performed not only for Scouting, but the community as well. For the event people from the community came with their best Wild Game dishes to be served to those attending the event. A plethora of items were donated for the silent auction that also took place to help fundraise for Scouting.

Between the silent auction, financial pledges, and donations for the food, the Greene County community was able to raise \$11,836. Congratulations to Greene County and thank you to your financial commitment to Scouting.

Special thank you to Brent Andrews, Horace Liles, Freddie Carraway, Bobbie Glossip, Dr. Jack Harrell, and Arey Grady for your leadership to make this special fundraising event to happen!

Fifteen Scouts from Troop 74 during Ben Rayford's tenure as Scoutmaster.
