Insurance Agency Opens in Floyds Knobs

Floyds Knobs, Ind. (November 13, 2015) Owner, Packy Page celebrated the opening of his Allstate Insurance Branch on Friday, November 13th with a ribbon cutting held by One Southern Indiana (1si). With the opening, Page, a native of Charlestown, Ind. who received his MBA from Webster University, plans to use a customer-centric philosophy to exceed client expectations and become a leader in the community's insurance industry. The business assists in "helping everyday people manage everyday risks" through Auto, Home, Commercial & Life Insurance, as well as retirement and financial planning.

Page, who has spent the last 17 years with Hillerich & Bradsby Co., the company who now owns Louisville Slugger, is excited to strike out on his own. "Our goal is for our clients to know that Allstate is the right insurance to have," Page said, "and the Packy Page Insurance Agency is the right agency to provide protection for their families and help prepare them for the future." Page and the team plan to be visible and actively participate in community events in Clark and Floyd counties in the coming year.

About Packy Page Insurance Agency:

About One Southern Indiana:

One Southern Indiana (1si) was formed in July of 2006 as the Chamber of Commerce and Economic Development organization serving Clark and Floyd Counties. 1si's mission is to provide the connections, resources and services that help businesses innovate and thrive in the Southern Indiana/Louisville metro area.

Since its inception, the organization has evolved to include a three-prong approach to serve its members and investors. Business Resources, as the chamber side of the organization, encompasses membership, signature events and programs which support and encourage business growth; Economic Development works to grow the regional economy through the attraction of new commerce and assists with retention and expansion of existing businesses; Advocacy supports businesses at the government level by engaging in the initiatives to preserve, protect and promote a business friendly environment free of obstacles to growth and development of commerce.
