Teachers Credit Union Celebrates Relocation

October 19, 2015 (New Albany, Ind.) – Teachers Credit Union(TCU) celebrated the opening of their new location at 3308 Grant Line Road in New Albany on Monday, October 19th with a ribbon cutting hosted by One Southern Indiana (1si). The event was attended by State Representative Ed Clere, Director for Economic Development in New Albany Dave Duggins, 1si staff and Ambassadors. Membership is open to anyone that lives, works or worships in Clark, Floyd and surrounding counties. In an effort to best serve their members, TCU relocated from their previous location on Grant Line Road, where they had been for more than 20 years. This transfer offers benefits TCU was unable to previously provide, including three drive thru lanes and a drive thru ATM.

The 80 year old company has grown to become Indiana’s largest credit union with more than \$2 billion in assets. Due to this continued growth, TCU is able to provide their members services including savings accounts, checking accounts, loans, mortgages, investment services, insurance and travel services.
