

Who will be the Lucky ONE on March 17th?

Voting for the finalists of the 1si 2015 "ONE" Awards has ended but the voting process was brisk, bordering on frenzied! Over 1,600 votes have been cast and while the voting totals only count for 10% of the total score, it could be enough to push an organization running neck and neck over the finish line. For those of you who have voted, thank you for registering your opinion on the best of the best.

Now, it is time to register for the celebration of your favorite candidates. Winners will be announced at the event on Thursday, March 17th from 5:30 to 9:00 p.m. at Huber's Orchard, Winery and Vineyard's Plantation Hall in Borden, Ind. Tickets for the event are now on sale. Individual reservations for 1si members are \$60 each with tables of eight available for \$440, and guests are \$85 each. Reservations may be made by visiting www.1si.org or by calling (812) 945-0266.

The ONE Awards is a reinvention of the Southern Indiana Business Awards and recognizes the finest 1si members in four categories. The event provides attendees with networking opportunities, hors d'oeuvres, a buffet style dinner and a full production awards program. Over 500 guests are expected to attend and the event is open to the public. Southern Indiana Business Award Winners from past years are highly encouraged to attend and will be given special recognition at the program.

The finalists listed below were chosen by an independent panel of judges and were selected based on criteria that includes business history, community involvement, response to adversity, newly-created opportunities and innovation in products or services
