

# Genealogy Double Take

## *with Cindy Grove*

Tuesday, Oct. 7

7:00-8:30

### Database Tour: HeritageQuest

An introduction and overview of one of our great subscription genealogical databases. Learn tips on how to drill down to results that matter.

HeritageQuest contains:

U.S. Census Records (1790-1940)

PERSI Archive (2.3 million genealogy and local history periodical articles: 1800-2009)

Revolutionary War Records, Freedman's Bank Records (1865-1874)

U.S. Congressional Serial Set: "Memorials, Petitions and Private Relief Actions"

HERITAGE QUEST™ ONLINE

Tuesday, Oct. 14, 7:00-8:00

### Interviewing Family Members & Elders

Personal interviews may be the best way to obtain family history information and to build relationships with family members. Don't just look at the interview as an opportunity to do genealogical research. Use this as an opportunity to spend time with a family member and let him or her share their stories. This presentation will cover preparation for you and your subject, tips on conducting the interview and follow-up considerations.
