

# Fly Fishing Seminar

Tuesday, April 8 & 15

7:00-8:30 pm (1 class in 2 parts)

Registration required.

**Captain Derek Spingler  
& Captain Nat Moody**  
teach and demonstrate the  
fundamentals of fresh & salt water  
fly fishing & casting. There will be  
time for you to try casting, too!

## Topics Covered:

### Fly Rod Selection:

Understanding weight & action.

**Fly Reels:** Advantages and disadvantages of traditional click pawl reels vs. more modern drag systems & large arbor designs.

**Fly Lines:** Taper designs & applying them to specific situations.

**Fly Selection for Salt & Fresh:** Which fly for what circumstance?

**Knot Tying & Leader Designs.**

**Hamilton-Wenham Public Library**

**978-468-5577 [hwlibrary.org](http://hwlibrary.org)**
