

HEY THERE cowboys & cowgirls (*ages 5 – 12 years old*)
grab your bike, your bike helmet & your parents & come on down to a
FREE Bike Rodeo "ROUND-UP" hosted by the Sarasota Police Department

There are so many great reasons to ride your bike: It offers fun, freedom and exercise, and it's good for the environment. We want kids, youth and families to ride their bikes as much as possible to enjoy the out-of-door beauty that is Sarasota!

Did you know: more children ages 5 to 14 are seen in emergency rooms for injuries related to biking than any other sport and helmets can reduce the risk of severe brain injuries by 88 percent?

SATURDAY

April 30th, 9:00 AM - 12:00 PM

Ed Smith / Oriole's Stadium
2700 12th Street, Sarasota

Expert wranglers from the Sarasota Police Department will be on hand to help you maneuver through skill stations, fit your helmet correctly, and teach you about being safe on your bicycle.

A limited supply of bike helmets will be available for a child who doesn't own a helmet or whose helmet doesn't fit.

For more information, call Officer Cherie McKeon of the Sarasota Police Department at 364-7345.
