SAVE THE DATE!

Stewardship University is coming to Hawaii! The one-day session will be conducted by The Rev. Canon Timothy M. Dombek, Canon for Stewardship and Planned Giving for the Diocese of Arizona. Nationally-known for stewardship development, Dombek is the author of *Making the Annual Pledge Drive Obsolete*, published this year.

Clergy and lay leaders are encouraged to sign up as teams to strengthen their stewardship programs. Invest in one day together to gain a common understanding of stewardship possibilities and reap the benefits all year long! The workshops are free of charge and include beverages and lunch. Airfare stipends are not available, but the Honolulu workshop will be livestreamed for Neighbor Island folks unable to attend.

Registration will open in mid-January. For more information, please contact Bill Skelton at b99skelton@gmail.com.
