

PREPARE/ENRICH

Southern California/West Coast Seminars

James Newman, Seminar Director

October 20, 2013

My name is Jim Newman. I am ordained in the Episcopal Church and have used the **PREPARE/ENRICH** inventories in my ministry since 1978 (and training others since 1979).

These inventories were developed by Dr. David Olsen and colleagues of Life Innovations, Inc. to provide a tool for ordained and lay counselors who work with pre-marital and married couples. If you are not aware of their materials, might I suggest that you look on the internet at: <www.prepare-enrich.com>.

I will be holding a workshop in Kailua on Friday, January 31, 2014 at St. Christopher's Church, 93 No. Kainalu Dr, Kailua.

The **Basic Workshop** — directed toward people who have not been trained to use the materials — is on Friday from 9 a.m. until 5:00 p.m. The cost of the workshop is \$170 (inclusive of all materials and rolls, beverages, and fruit, but not lunch). When you have been trained, you will receive a complementary scoring worth \$35.

Furthermore, the Customized Version of Prepare-Enrich was introduced in late 2008. This has entirely re-worked all of the materials used in the Prepare 2000 kit. Those currently trained to use the materials who wish to acquire the new materials and undergo further training are invited to register for the workshop as an **"Update Student"**. The cost of the Update Workshop is \$100.

If you have any questions, please give me a call at the Los Angeles numbers below.

When your registration and payment has been received, I will send you a letter confirming that and a map with directions to the training site.

NOTE: All registrations (w/payment) are **due by January 17, 2014** (please make checks out to: "SBEC/RDF - Prepare"). Your reservation is secure when payment is received. You will receive an acknowledgment letter and a map approximately one week prior to the workshop. Failure to cancel or reschedule a workshop with 24 hours notice will result in a charge of \$80 (basic) or \$50 (update).
