

A More Meaningful Easter

#1 Keep the Supper of the Lamb:

Host a Passover Supper with friends and family.

#2 Light some Lenten Candles:

Even if you haven't lit any candles during Lent, you can still light each candle in order on Easter morning, while telling the story of the Resurrection.

#3 Create a Repentance Box:

Write down sins, anxieties, pains, and fears on small scraps of paper and put them all together in a small shoe box. Then burn away the "sins" as a symbol of Jesus' cleanse of the world.

#4 Plant an Easter Garden:

This is especially symbolic and important. It shows that, not only does Christ give new life and that we are reminded of it on Easter Sunday, but that His love and salvation continue to grow throughout the entire year. God's gifts of nourishment (rain, sun, and soil) can only grow to produce Good Fruit if faith, love, and a little bit of hard are put into it.
