

The 9th annual
Petersen Cup Golf Tournament
 Benefiting the Children's Receiving Home of Sacramento
 & the Foundation of the Rotary Club of Arden Arcade
 Timber Creek Golf Course in Roseville
 Friday, September 25th, 2015

The Petersen Cup is an event to honor the memory of Sam Petersen and his involvement in his two favorite charities; the Rotary Club of Arden Arcade Foundation and The Children's Receiving Home of Sacramento. Sam was past president of Arden Arcade Rotary and a dedicated supporter of CRHS.

In honor of Sam and his love/hate relationship with golf, the focus of the tournament is to have fun. Participants will raise money for a good cause while enjoying the added course activities going on through out the event. It's not just about the golf but having a good time for a good cause as well!

Donors -- we need your help with our live/silent auctions and raffle. Help us raise money for these two worthy organizations!
