**BANG BANG YOU'RE  
DEAD**

**By William Mastrosimone**

**A New Adaptation of William Mastrosimone's powerful play.  
Directed by Jerry Miller**

The tool of drama has the power to lance, heal, and cleanse the soul. **Bang Bang You're Dead** might not be the answer to gun violence in schools. But the play might lead to a discussion, an insight, a revelation, and that may lead to an answer. There is a hope that our awakened senses might see tragedy before it happens.  
Together, we can have an impact.
