Workshop Information

To register for a workshop class, you must meet the following criteria: **Be a TCtv "User"**.

Resident: Any person using TCtv must provide proof of residence in the City of Torrance. Such proof of residence may be, but not limited to the presentation of a current California Drivers License or California Identification Car and a recent utility bill which clearly shows the name and address of the person requesting use of TCtv.

Non-Resident – Non-Profit Organizations: Persons who are authorized representatives of a non-profit institution or organization may use TCtv for the purpose of cable casting announcements or programming. In all cases where non-resident representatives request use of TCtv, a "Statement of Compliance", and a "Non-Resident Authorization" form signed by the identified member of the institution or organization must be provided. Each Non-Profit organization must provide proof of Non-Profit status, along with the identification of the individual representing the organization. Verification of all information will be conducted by TCtv. In all cases, Torrance based non-profit organizations will receive priority over non-Torrance based non-profit organizations.

Class attendance is mandatory per session group. One absence and you forfeit your place in the workshop and your deposit.

The Pre-Production Planning workshop is a required course, but not a pre-requisite. You must attend one of these classes to become a certified TCtv Producer.

Provide a personal/cashiers check or money order for the individual workshop. This check should be made out to the **City of Torrance**. **All payments must be made one week prior to the start date of the workshop.** Sorry, we do not accept cash.

We look forward to satisfying your desire to produce Access video programming in the City of Torrance at TCtv Channel 28.
