Quilting Made Easy Weekend

At Around The Block

Beaverlodge

780-354-3423

Friday Aug 14 1-4 OR 6-9pm & Saturday Aug 15 9-5

Calling all Quilters! Join our Husqvarna Viking Educator Gail Berry-Graham for a fun weekend of exploring Quilting made easy, from the tools, notions, machines and accessories available today to watching the cutting edge technology of the automated quilter in action.

Friday 1-4 OR 6-9 From the basics to the extremely creative, from traditional to modern, we will explore the many ways quilting has evolved. Gail will show you how to design and create about anything you can dream up.

Sat 9-12 Find out how the Platinum 16 can speed your quilting and free-motion thread painting projects. See wonderful inspiration projects And then test drive the Platinum 16 for yourself.

Sat 2-5 Find out how the Platinum 3000 and Quilt Sew Clever II automated quilter can expand your quilting potential. Put cutting edge technology to work and see how any quilting project can become a beautiful masterpiece and a reality in record time.

Attend all three lecture/demos for \$30.00 includes goody bag for each attendee, snacks fri evening and light lunch Saturday. OR \$15.00 per individual session.

All Classes require basic quilting supplies:
Mat, ruler, cutter, stitch ripper, & thread
All class supplies purchased at Around The
Block are 10% off
