

"I had no idea our church was doing so much to help others."

"It's encouraging to see the body of Christ in Action."

YOU CAN MAKE A DIFFERENCE

World Relief provides many opportunities to share our bountiful blessings. It has become a united effort of young and old to help the suffering and needy who are all precious in God's sight.

Our meeting will present a wide range of information about our work caring for the poor, spreading the Gospel, helping victims rebuild after disaster, making a positive difference in children's lives, ministry in Mexico, and more.

Come to the World Relief project presentations on November 7th in West Lafayette, IN and bring someone with you who has a heart for helping others. Take home an inner commitment to further God's work in your single group, Sunday School, family or work team in another country or close to home with local volunteer projects. 🌻

*I was an hungred, and ye gave me meat:
I was thirsty, and ye gave me drink:
I was a stranger, and ye took me in:
Naked, and ye clothed me:
I was sick, and ye visited me:
I was in prison, and ye came unto me.
-MATTHEW 25:35-36*

"It was touching to hear how the recipients were blessed by our giving."

MAIN SESSIONS

Meditation: Come See — Go Tell

Bro. Kent Heimer

When the angels told the shepherds about Jesus’ arrival, the shepherds’ response was “Let’s go see.” After seeing the Savior, they told others about Him. Whose responsibility is it to share the “Come See — Go Tell” message today? Could God be calling me to join Him in sharing Jesus with those He brings in my path? 🌟

The Ways We Share the Gospel

Bro. John Huber

To be faithful to our calling, the gospel must be proclaimed; it is the foundation for nurturing those who believe. And it must be demonstrated by sanctified living and deeds of compassion. Guided by sound doctrine and motivated by love and the Glory of God these inseparable facets of the gospel enable us as a brotherhood to fulfill the Great Commission. Learn about this balanced, biblical approach to outreach. 🌟

Healing for Bodies and Souls in Haiti

Bro. Rick Aberle

By God’s provision, great progress has been made at Hospital Lumière since World Relief took over operations. We continue to serve both the physical and spiritual needs of the Haitian people. Learn about this important work including a brief history via video, and hear about patients whose lives have been profoundly touched in ways difficult for us as Americans to imagine. 🌟

Missionary Life: Panel Discussion

Panel Format

Currently serving our church sponsored projects, are 32 missionary families (singles & couples) made up of 52 brothers and sisters with almost as many children. Sending and supporting missionaries is becoming a part of our church culture. As we grow into that responsibility, it is of utmost importance to also continue to grow in our understanding of their joys and challenges on the field. This session will feature a Q&A with several missionaries. 🌟

AFTERNOON MINISTRY BREAKOUT TOPICS

K Kairos: AC Muslim Ministry
God’s Heart and Our Role
Bro. Drew Martin

Twenty-three percent of the world’s population self-identifies as Muslim; what is God’s heart toward them? Most sources put the number of Muslims living in America at around three million; what is our role in ministering to them? We have found that our Apostolic lifestyle and traditions often create natural bridges in building relationships with Muslims, and are grateful to share how Muslim ministry is relevant to the Apostolic Christian Church. 🌟

C Child Sponsorship Committee
Saving Lives
Bro. Dan Heinold

Sponsorship changes lives. Learn how World Relief’s program is providing an education to thousands of impoverished children who are learning life skills to improve their standard of living, and also getting spiritual training to address their greatest need: a relationship with Jesus. Discover what plans the Child Sponsorship committee has for the future and how you can be involved now to help a child or an entire school. This presentation includes a video testimony of a woman who was a sponsored child. 🌟

M Mexico Committee
Raising Up a Church
Bro. Grant and Sis. Hannah Herrmann

As a young church comprised of mostly first-generation believers, the congregation in Ixtlan, Mexico faces unique challenges as they work to build up an indigenous church. Grant and Hannah Herrmann will share their experiences from living in Ixtlan for the past 2 ½ years as well as accounts and perspectives from some of the members of the Ixtlan church. The presentation will aim to help the listener understand what it is like to be a part of an “adolescent” church and learn what those in the US can do to support our brothers and sisters in Mexico. 🌟

U USA Committee
Rebuilding Together
Bro. Les Schambach

For the past decade, Apostolic Christian World Relief USA committee has been coordinating ministry to disaster stricken areas of the US during the winter months. This ministry has consisted teams of brethren volunteering to build and repair homes. Hand in hand with this work, has been the opportunity to build relationships with and minister to those we are serving. This session will present why we are doing this ministry and the vision for how this ministry will continue to proclaim the Gospel through service to souls affected by disaster. 🌟
