

Are you looking for a way to help those in need this holiday season?

Here's how we can do it if we work together.

As a way of serving our community,

OrthoWell Physical Therapy
of Beverly will be

donating \$10 for each new patient

that comes through our doors through the end of 2015 to an awesome organization in Beverly called

Beverly Bootstraps.

So come on in for a physical therapy evaluation or spread the word about our holiday initiative to your friends and family.

Let's do this together!
