From your President, Clint Welser, ASID

Dear Members,

I wanted to take a moment to express my appreciation for the hard work and dedication of our members. Your contributions to our community and our profession are truly remarkable.

I would like to announce that we have been nominated for the National ASID Community Service Project Award. This is a significant honor and we are grateful to be recognized for our efforts.

Additionally, we are excited to announce that our newly remodeled Turning Point Shelter will be on display at the Michigan Modern exhibit. This is a testament to the impact of Interior Design in improving the lives of those in our community.

I encourage all of our members to continue to participate in our events and programs. Together, we can make a difference.

Thank you for your continued support.
