

**Organization: Food Crews Houston - a 501(c)3 non-profit organization**  
**Presenters: Hayley Grimland and William Ford**

Hayley and William shared a dynamic, information presentation with both our middle school and high school students with regard to the homeless population nationally and locally.

RMBA kicked off a food drive on Monday, March 23 to support the needs of Food Crews Houston and the Houston Food Bank. All RMBA students and families can participate by donating the following food items: canned goods, unopened/sealed boxes of cake/muffin mixes, unused boxes of pasta, unopened/sealed peanut butter, unopened/sealed jelly/jam, unopened/sealed containers of peanuts or other nuts, boxes of sandwich bags, boxes of gallon size plastic zip-loc bags.

How can the students assist? By bringing in the donated items above. Middle School and High School students can communicate with Food Crews Houston to donate their time (community service hours!). Also, interested Middle School students can assist Mrs. Cedano after school from 4 p.m.- 4:30 p.m. on 03/26, 03/30, 04/13 to make donation container signs, sort items, and assist with other administrative duties with regard to the project (again, community service hours!).
