

This year, when you sit down to your *seder*, know that you have helped fellow Jews in Houston have food for Passover. Please give generously to the Jewish Family Service Passover Assistance Program. Last year, JFS distributed Passover financial aid to over 900 individuals...this year we expect even more requests.

Thank you for taking a few minutes from your Passover preparations to help JFS help others prepare. Together, as a community, let us help those in need during the Passover season.
