Dear Golfers, Sponsors and Friends,

On behalf of our students and faculty, thank you for participating in Notre Dame's 15th Annual Lancer Open Golf Tournament in memory of long time ND volunteer Bob Shea. It is through your tremendous support that today's event is our most successful tournament yet. The profits from this tournament will be put directly back into our school to help continue to provide a superior education as we build character, faith and intellect in each of our students. This tournament also helps us to maintain our facility as we strive to be a leader in education. Notre Dame has a long history of academic success. It is through the efforts of a great faculty that we continue to produce well-rounded and prepared graduates, true to their faith, and eager to make a difference in the community. We are proud of Notre Dame. We are proud of our long history of excellence. We are proud of our students. Thank you for helping to support our mission by participating in this year's tournament.

A very special thanks to Theresa Marzik and the Lancer Open committee for organizing another first class event.

The 2015 Lancer Open

In Memory of Bob Shea

Bob Shea was an active fundraiser and loyal supporter for the Notre Dame community for over twenty-five years. There was no job too small or large for Bob. He gave endless hours to enhance the financial and educational status of our school. He loved Notre Dame! Bob died on February 18, 2000 but his legacy lives on through the annual Lancer Open in his memory.

During the last fifteen years this golf tournament has raised money for Notre Dame and the Bob Shea Scholarship, which is presented to a graduating Notre Dame senior every year.

On behalf of the Lancer Open committee, thank you for your support and we'll see you next September!
