Richard "Duke" LaTorre passed away on October 12, 2011. Mr. LaTorre was a graduate of Notre Dame High School, Class of 1965, and Sacred Heart University, Class of 1969. He was a math teacher at Notre Dame High School from 1969 until his passing. Mr. LaTorre loved to travel; he loved anything and everything Disney. He enjoyed fine food, nice cars, all things electronic, music, theater, sports, Christmas and gift-giving and his pets. Mr. LaTorre very much enjoyed sharing his passion for life and all these special things with his family and friends, fellow teachers and students who all became part of his extended family. He possessed a great sense of humor; his laugh was infectious. Mr. LaTorre was caring, loyal and generous. His life was Notre Dame and his dedication to the school, the students and their families was a part of what makes Notre Dame the outstanding educational institution that it is.

Mr. LaTorre created an environment that allowed students the opportunity to develop in the fields of mathematics and computer technology. It is difficult to describe the profound impact his instruction and mentoring had on the thousands of students who were lucky enough to be taught by him. Mr. LaTorre touched many lives with his caring, hard-working, fun-loving and humble approach to education and life.
