Diamond V

John Miller, District Sales Manager, notes that Dustin has a background in both animal health and feed sales: "For the past seven years, Dustin has managed dairy accounts for Nutrius LLC, supporting a portfolio of base mineral packages and value-added products, including Diamond V products."

Dustin also managed accounts for the Nutrius sibling company, Associated Feed and Supply, handling key account sales for bulk commodities and calf feeds. Prior to Nutrius, he worked for Lextron Animal Health.

Dustin's holds the Bachelor of Arts degree in Business Administration with an emphasis in Management from Fresno Pacific University. His honors include the State FFA Degree and American Farmer Degree. He and his wife, Lindsay, reside in Fresno, CA with their children, Leah and Luke.

"Dustin enjoys working with 4H members," John says, "helping them raise their beef projects and getting them ready for shows. Lindsay is in the process of attaining her

Optimize your “app advantage”

Diamond V’s [Dairy Resources App](#) gives you mobile power to access exclusive dairy specialized tools and resources. Our App empowers you to evaluate all types of TMRs, feedstuffs, and dairy nutrition programs.

It’s available from the Apple App Store for the iPad and iPhone:

1. **Download** the App for free
2. **Register** to create username and password
3. **Access** tools and resources

Tools include:

- Lactation Efficiency Calculator
- TMR Mixing Efficiency Calculator
- Quick Tips on TMRs
- Translation for dairy terms (English-Spanish)
- Metric-English conversion (weight, volume, distance, etc.)
- Real-time cow heat stress risk via Weather Button
