The shuttle leaves the airport at 12:30 p.m. the day of your scheduled starting date and arrives at Northern Tier at approximately 5:30 p.m. (5 hour trip). If you plan to arrive via plane, you must schedule your arrival no later than 12:00 p.m. into the Minneapolis/St. Paul International Airport. The return trip leaves at 7:30 a.m. on your last scheduled day from Northern Tier arriving at the Minneapolis Airport at 12:30 p.m. Do not schedule your departure prior to 2:00 p.m. Participants are strongly encouraged to find a travel companion from their home Council to ease the process of traveling to the base.

2015 NORTHERN TIER INDIVIDUAL PROGRAM APPLICATION

Step 5: Medical - All Participants must submit a current BSA Health and Medical Record including parts A, B, C & D upon arrival.

Northern Tier Weight Limits for Canoeing:

No participant in a Northern Tier expedition should exceed the maximum acceptable weight listed for their height in the table shown here. Those who fall within the recommended weight limits are much more likely to have an enjoyable trek and avoid incurring injuries and health risks. Extra weight puts strain on the back, joints and feet. The portage trails can be very muddy, slippery and rocky and present a potential for tripping and falling. We also strongly recommend that no participant be less than 100 lbs. in weight. Extremely small participants will have a very difficult time carrying canoes and heavy packs. The load limit of canoes is another important reason to limit participant weight. We put 3 people per canoe. The total participant load per canoe must not exceed 600 lbs. (200 lbs. per participant). No participant may exceed 295 lbs.
