

Brought to you by EF PARTNERS IN EDUCATION

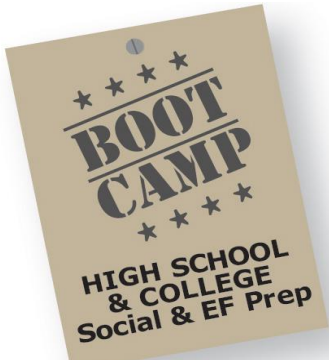

(Partnership of Creative Academic Support Services & The Talking Playhouse)

EXECUTIVE FUNCTION BOOTCAMP

(with Social Cognition)

LEARN IT IN CAMP, DO IT IN SCHOOL.

Middle School, High School & College Prep

- We provide Parents, Students & Educators toolkits and post workshop, hands on individual training.
- We teach EF skills followed by student based peer group facilitation.
- We develop individualized strategies to generalize skills across school and life.
- With increased academic expectations and demands, now is the time to learn new skills.
- We provide a hands-on learning environment to develop concrete experiences.
- We cover application of EF and Social skills in project based simulations.
- We serve bright students who need to boost their academic and social skills.
- 2 week intensive training in small groups with two therapists, social cognitive & educational therapist.

DATES: August 3 -14 or 17-24, or by special arrangement depending upon availability.

ENROLLMENT: Choose a set of Boot Camp dates for students and parents. Then join us for a 1-day refresher before school starts. Afterwards, select between 1 observation in the classroom or communication with teachers during the month of September provided for the generalization and real time application training. Follow up consults, while not included in this package, are available.

CONTACT INFO & FEES: Training is approximately \$85.00/hr w/ two therapist (Speech/Language & Educational Therapist) for approximately 34 hours. \$2890.00.
