1. Fifty percent or greater women ownership, with at least two permanent full-time attorneys and with women-owned status based on self-classification (For the purposes of this chart, the New York Law Journal did not ask firms to provide NYS MWBE Certification). The chart lists law firms based/headquartered in New York. The identities of the firms listed were obtained from various sources, including the listings in this chart as published on June 15, 2015 and responses to notices placed in the New York Law Journal. Solo practitioners, firms that did not respond or firms that did not wish to be included are omitted.

2. Ranked by number of permanent, full-time attorneys as of Dec. 31, 2015, and listed in alphabetical order in the case of a tie. For firms with more than one office, the main one is listed.
