

The Valley Huskers

SILENT AUCTION

Supported by:

The Chilliwack Chamber of Commerce fully supports the Valley Huskers by promoting this Fundraiser Auction, to create branding opportunities for local business owners and operating funds for the Valley Huskers

We will earn your donation

To show our appreciation, we will announce your support:

-  By creating a "Facebook Album" for each auction item, along with your company Website and Facebook information . We will also provide the bidding email address for quick reference
-  By adding a PDF advertising file of your services or products, if you have one, to our "Files" tab
-  By sharing pictures and descriptions of your donation a *minimum* of 5 times prior to or during the auction. We will also provide a link to that auction album on several social media sites along with sending you a link by email so that you may share it
-  By creating an "Event" for each Auction Date (game day date); this will list all of the items being auctioned off on each game day. This will give (you) the donor the opportunity to attend the auction/game.
-  By announcing who won the item and the amount of the bid . We will even try to take pictures of the winners with their big happy smiley faces holding the item they won. This will create another branding opportunity for you along with a thank you
-  After the auction, we will take the time to thank all our donors, as many times and ways as we can
