

Arts for Every Student School Partnership Agreement 2013-2014

Arts for Every Student is the cornerstone program of the DC Collaborative, created in 1998 to serve as a vital arts education resource to the Public and Chartered Public school communities. The primary goals of the **Arts for Every Student** program are to establish the arts and humanities as an essential component of a high-quality education, and to provide equitable access for all DC Public and chartered public school students to the wealth of arts and humanities experiences available in the metro DC area. These goals are accomplished through the partnership and collaboration of the members of the DC Arts & Humanities Education Collaborative and our School Partners.
