

On December 14<sup>th</sup> at 9:00 a.m. Tennessee 811 will host a meeting in Murfreesboro to explain the changes to the Tennessee Underground Utility Damage Prevention Act.

*At the start of the meeting we will be honoring Senator Bill Ketron with our “Legislator of the Year” award for his hard work and support that helped facilitate the changes to TCA 65-31 to pass through the legislative process this year.*

We urge you to attend this meeting so that you understand how the changes to the Tennessee Underground Utility Damage Prevention Act may affect you. Please RSVP with the number attending to Caitlin Cart at [ccart@tennessee811.com](mailto:ccart@tennessee811.com).

In addition to going over all changes to the Tennessee Underground Utility Damage Prevention Act, which was signed by Governor Haslam in May, we will explain mandatory damage reporting in the DIRT tool and help you sign up for this.

We will go over what is required in Positive Response – closing tickets in Positive Response is mandatory and it must be done through the Positive Response System.

New Damage Prevention Guides will be available for you at the meeting.

This meeting will last about 2 hours.

*The meeting will be held at:*

*The training facility of the Tennessee Association of Utility Districts  
840 Commercial Court  
Murfreesboro TN.*
