Synagogues of Michigan: Exploring Our Jewish Past Through the Origins of Michigan's Jewish Houses of Worship

Sunday, November 8, 2015 10:30am-12:00pm

Temple Kol Ami

Docent Margie Jablin will lead us in exploring Michigan's Jewish history through the eyes of the men and women who helped found and establish the Synagogues of Michigan. Margie will narrate this Powerpoint presentation that takes a peek at the development of congregations and synagogues across the state, beginning in the 1840s with the establishment of the state's earliest congregations and tracing the movement of the Jewish community through modern times. Although not an "architectural" study, the presentation includes images of the synagogues and many of their beautiful features.
