**with Rabbi Tzvi Muller**

**Director of the Jewish Values Institute**

**March 20th 10:30am-12:00pm**

Esther bravely saved the entire Jewish people from annihilation. The most celebrated heroine of the Jewish people risked her life to selflessly intercede on behalf of her nation. With extraordinary valor, wits and purpose she succeeded in averting a national catastrophe. Where did she get the inner strength from? What made her care so deeply about the intended victims of Haman's wrath? Join us in exploring the secret of Esther's greatness. Let us see how we can bring her legacy of courage, wisdom and kindness into our daily lives – to help make the world a better place.
