SUBMIT YOUR PHOTOGRAPH

Each applicant MUST provide a photograph of him-/herself PLUS a photograph of the spouse and ALL unmarried children under the age of 21 (including current or former step-children and children who do not live with you). You can provide photographs to our office in one of four ways. Please select which method you will use to send the photographs to our office from the list below:

If you will provide the photographs yourself, please note that they must meet the following Specifications:

1. Applicant, spouse, or child must be directly facing the camera; the head of the person being photographed should not be tilted up, down or to the side, and should cover about 50% of the area of the photo.
2. The photo should be taken with the person being photographed in front of a neutral, light-colored background. Photos taken with very dark or patterned, busy backgrounds will not be accepted.
3. Photos in which the face of the person being photographed is not in focus will not be accepted.
4. Photos in which the person being photographed is wearing sunglasses or other paraphernalia which detracts from the face will not be accepted.
5. Photos of applicants wearing head coverings or hats are only acceptable due to religious beliefs, and even then, may not obscure any portion of the face of the applicant. Photos of applicants with tribal or other headgear not specifically religious in nature are not acceptable. Photos of military, airline or other personnel wearing hats will not be accepted.

In addition, digital photographs must meet the following specifications:

- a) The image must be in the Joint Photographic Experts Group (JPEG) format.
- b) The image must be either in color or grayscale; monochrome images (2-bit color depth) will not be accepted.
- c) The image must be a .jpg format. The maximum image size should be 240KB. Maximum dimensions are 8 inches (width) x 8 inches (height). Dimensions must be in a square aspect ratio, image must be in color. Black and white images will not be accepted.
- d) If a photographic print is scanned, the print must be 2 inches by 2 inches (50mm x 50mm) square.
- e) It must be scanned at a resolution of 150 dots per inch (dpi) and with a color depth of either 24-bit color, 8-bit color, or 8-bit grayscale.
- f) The maximum image size accepted will be sixty-two thousand five hundred (62,500).
