

## **2016-17 Lunch Program**

---

We are excited to offer healthy lunch options for Pre-K - 12th grade students. Please note the following information:

### **Pre-K - 8th Grade Lunch Program**

1. Lunches for Pre-K - 8th grade students will be available beginning Monday, August 22nd. Monthly order forms and menus will be available at Back-to-School Night and are due Thursday, August 18th.
2. The cost of a school lunch does not include a drink. A milk ticket is available for elementary students and can be purchased at the front office.
3. Ordering will be done on a monthly basis. All lunches MUST BE PREPAID covering a monthly period. Teachers will hand out the menus to their students. Parents need to turn in a completed order form with payment to the front office by order due dates.
4. If a field trip is scheduled after the menus have been turned in, a bag lunch will be provided for those students who have ordered on that day. Bag lunches will be delivered to their classroom prior to their departure.
5. Same-day ordering is not available and credits cannot be given if your child is absent from school on a day he/she has ordered a school lunch.
6. If a child is without a lunch, parents will be called to bring one. If that is not possible, the school will provide a lunch and the parents' account will be billed accordingly.

### **9th - 12th Grade Lunch Program**

1. High school students may purchase lunch beginning Monday, August 15th, on a cash and carry basis.
2. Ordering in advance is not required, but recommended, and menu options will be available at Back-to-School Night.
