Boys and Girls will be scored separately. (We reserve the right to run boys and girls together based on the number of athletes registered for each event.) Top Twenty finishers in each race will receive individual awards. Top two teams (8 athletes per team) will receive medals.

Note: (Developmental Meets) Due to the small number of athletes in the **15-18 age group**, they will not have a team competition in this category and individual medals are only awarded to the **top five finishers**. In addition, this age group will run with the 13-14 age group but be scored separately if athlete registrations are low.

Developmental Meets could be cancelled due to inclement weather (lightning or other dangerous conditions). Every effort will be made to re-schedule, however, it may not be possible.

Questions may be directed to Steve Calbert, Jacqui Collins and/or Lamar Grant
