Sisters Marielys Cortes, 10, left, Karla Colon, 8, second from left, and Ashlymarie Vazquez, 6, with their mother Mariella Vazquez, all of Vineland, shop for fresh produce at the YMCA of Vineland farmer's market Wednesday. The farmer's market takes place every Wednesday in the YMCA parking lot and accepts WIC vouchers. The family bought, "all healthy stuff," they said, including peaches, potatoes, tomatoes, lemons, corn and grapes.
