

ATTN: FLEET MANAGERS

FREE PLUG-IN CONNECTOR KITS

Safe and easy 120 VAC power for sleeper cabs

- FREE plug-in connector kits for fleets (25 kits max per fleet) when you agree to use the electrified truck parking at our growing network of truck stops.
- Easy and affordable way to reduce engine or APU run times and save money through reduced fuel consumption and engine wear.
- Drivers can use standard electric appliances safely right in their cabs.
- Self-install or install at one of our authorized truck stop service centers (installation costs not included)

Two kits to choose from:

Phillips & Temro w/ one outlet (8500633)

The Phillips and Temro Cab Power System of pre-wired, modular components for cabs and sleepers provides connection to grid power and distribution of 120 Volt AC power at 20 Amp capacity, eliminating the need to keep the truck engine running. All kits are GFCI protected, CSA approved and come with a weatherproof chrome external receptacle. Visit: www.phillipsandtemro.com

PHILLIPS & TEMRO
industries®

Phillips Ind. Lectro-Link w/ one outlet (40-0010-354)

The Lectro-Link from Phillips Industries is a state-of-art master cab module providing safe and easy connection to 120 volt AC shore power. It features a chrome-plated receptacle for exterior cab mounting and a cab interior 120 volt AC outlet with harnesses. The load center includes a GFCI, CSA/UL approved components and an on/off master switch. Visit: www.phillipsind.com

PHILIPS

FLEET MANAGERS, HERE'S WHAT TO DO:

1. Fill out applicable areas of the Kit Voucher form and fax it to 503-289-3579.
2. We will send you a brief spreadsheet matrix to fill out for each vehicle you're upgrading.
3. Select from the approved plug-in kits above. We will then send you the kits. If you are having the kits installed at the truck stop service centers, we will give you instructions.
4. Drivers use the provided Vehicle ID Number Card to get more discounts when signing into a power station kiosk. Vehicle ID cards are assigned to specific vehicle VIN numbers.
