Blocking is also a service we provide. The cutoff date for Christmas finishing is Thanksgiving.

**FRAMING SERVICES** - Marci (mother of the triplets and my older daughter) is our framer. She has been framing professionally for 30 years and attends the national Picture Framing Shows. Through these shows she is able to keep up on the newest techniques, materials, etc. Marci also does framing for corporations and does regular framing - pictures, paintings etc.

**AN INVITATION - TARTS** (Thursdays Are Reserved To Stitch) - **TARTS II** - (Tuesdays are Reserved To Stitch) A group of gals, after taking a class together, decided to come into the shop on Thursdays to stitch, as often as possible. They named themselves the TARTS. Each working on their own project or projects, often asking advice of each other and helping each other figure out which stitch goes where and/or a technique. If you are available on Tuesdays or Thursdays, feel free to come in and join the group or feel free to form another group on another day. We enjoy having people stitching here, so join the fun.

**HOLIDAYS** - We are closed Easter, Memorial Day, Fourth of July, Thanksgiving, Christmas & New Years Day.

**WANTED** - Designers Desk is always looking for people to stitch models for the shop. We need needlepointers, cross stitchers, beaders, and Hardanger stitchers. We are also looking for teachers for the shop. Do you like a particular technique and would you like to share your knowledge with others? Many people would like to try some new techniques or patterns, yet feel intimidated about trying something new without someone to give them the confidence to try it. See Pat if any of this is something you might like to do.

**NEEDLEPOINT** - New canvases come in daily. We are always willing to order a canvas for you. Just give us the name of the designer, the number of the canvas you want and we will be happy to order it for you. There are 3 soooooo many designers in the industry - it is impossible

to carry all the canvases. We do try!!!! Always ask what is new!!!

**CROSS STITCH** - If you are looking for a special pattern for a special occasion there are a number of websites you can look at. [www.hoffmandis.com](http://www.hoffmandis.com) , [www.nordencrafts.com](http://www.nordencrafts.com) , are 2 distributors to look at. Mark down the number you find in their catalog and give us a call and we will be happy to order it for you or see if we have it in stock.

**CHARTED NEEDLEPOINT ROOM** - We have a whole room set up with nothing but charted needlepoint!! And lots of models too. If you are a cross stitcher this might be something you would like to try. Ask for details when you come in and see us. Come in and see what is new - Debbie's Designs, Threedles, Needle Delights, Laura Perin and From Nancy's Needle to just mention a few.

**PUNCH NEEDLE** - is great fun. Have you tried it? Quick and easy to do and lots of varied designs from

primitive to cutzie to traditional. We have had year olds to grandparents and all in between taking classes and enjoying the results. Punchneedle is a wonderful way to make a hostess gift and quick gifts for birthdays or someone special. Be sure to ask about the Weeks 3 strand spools - you can punch and punch and punch without rethreading the needle. WE HAVE THE NEW LONGER CTR NEEDLE!!!

**KUMIHIMO** - is the Japanese art of braiding. It means the "gathering of threads." Kumihimo is thousands of years old. We are carrying a beginners kit that has everything you need to get started on a project. You know the "friendship" bracelets? This is a great way to make those. We at the shop can show you how easy this technique is. Want to make a braid with your leftover threads to put around your ornament - etc. You can easily do this with our beginners kit.

**SHOP MODELS** - All of our models are for sale. We try to put prices on all models on the wall, but if there is not a price on a model in which you are interested, please ask. We also have models that are not framed or finished and those also are for sale.

If you do not know anything about Historic Geneva, call the shop and we will be happy to send you a brochure or contact the Chamber of Commerce 630-262 - 6060 and they will send you the info. [www.genevachamber.com](http://www.genevachamber.com) or call 630-232-6060
