Symposium - Why is Down Syndrome Research Important?

Michael Harpold, PhD.
Chief Scientific Officer of the
Down Syndrome Research and
Treatment Foundation (DSRTF)

Dr. Harpold will address the exciting progress of research to improve cognition, including memory, learning and speech.

Xiao-Fei Kong, M.D. PhD.
Rockefeller University Sponsored
Research and Program Development.

Dr. Xiao-Fei Kong's presentation will include the difference of the immune system in Down syndrome within the framework of how the human immune system works.

Patricia White, M.D.
Director on the Board of the Research
Down Syndrome (RDS) Foundation.

Dr. White will emphasize the need for support for Down syndrome research

For full bio of the symposium presenters, please log onto www.alexandersangels.org and click on the World Down Syndrome Day logo. They will also be included in the journal.

Let The Angels In

A Down Syndrome Benefit Dance Performance

For the most beautiful and unique among us

We are, each of us, angels with just one wing, and can only fly by embracing one another
Luciano de Crescenzo (1928 -)

NuBella Productions

Juliet Dolan, Founder and Director

This is Juliet's second *Let the Angels In* Benefit Performance on behalf of the Down syndrome cause. The dance production will include dancers with Down syndrome, including a return performance by Juliet's sister Jillian.

SUPPORT JUDY'S INITIATIVE - BRING YOUR DIMES

Judy is a 15 year old young lady with Down syndrome. She has been raising dimes over the last 3 years to help grant wishes and needs to individuals with Down syndrome, for an organization called Gifts From the Heart For Downs. To date just over \$167,000 has been raised. Please consider helping Judy to get to her first goal of \$500,000.

www.worlddownsyndromeday.org/lots-of-socks

LOTS OF SOCKS

DSi (Down Syndrome International) invites everyone across the world to wear LOTS OF SOCKS on 21 March 2014 to raise awareness on World Down Syndrome Day. Wear bright color socks, printed socks, 1 sock, 3 socks (for Down syndrome). Wear lots of socks and have lots of fun!!!
