

# Kid's Day April 25th

from 9:30am - 4:00pm at PANG-B

Ages 0-6 must be with a parent/guardian and will participate in age-specific activities!

Ages 7-10, 11-13, and 14+ will rotate through different activities, competitions, base tours, building workshop and live theater!

Take a behind-the-scenes look at what our mission is here at PANG-B with support from all base units. Come see what the Rescue Squadron does, what it takes to be a pilot, how the maintenance crew keeps the jets working, and what type of medical response we can do here!

This event is completely free! Lunch will be provided by the USO

## What is 'Month of the Military Child?'

In 1986, Secretary of Defense Caspar W. Weinberger designated April as the "Month of the Military Child". With thousands of local military children, we take this opportunity to honor them and recognize the sacrifices they make as they follow their parent(s) around the country and the world in service to our nation.
