

PRESENTS ITS NEWEST TRAINING VIDEO

AFA PARTNERS IN CARE: SUPPORTING INDIVIDUALS LIVING WITH DEMENTIA

DEMENTIA CARE PROFESSIONALS OF AMERICA (DCPA), a division of the Alzheimer's Foundation of America, is excited to announce its newest training and certification program. Engaging, practical, and accessible, this program, available both online and DVD, has been designed to prepare all levels of professionals across sectors to feel comfortable and confident working with individuals living with dementia and their families.

OUR TRAINING PHILOSOPHY is rooted in the belief that optimal dementia care relies on building relationships. This person-centered approach to care values promotes the unique strengths, goals, and humanity of each individual, involves interdisciplinary collaboration among care providers, and places individuals with dementia and their families at the center of decision-making.

LEARN ABOUT

- Building relationships
- Alzheimer's disease and dementia
- Effective communication
- Understanding behaviors as communication
- Facilitating personal care
- Promoting safety and security
- Easing care transitions
- Supporting individuals during death and dying
- The importance of self-care
