

FRIENDS OF THE SEDONA LIBRARY, INC.

Since opening in 1958, the Sedona Public Library has been privately owned and operated. While basic operating costs are now funded through municipal contracts with the City of Sedona and both Yavapai and Coconino counties, the Friends organization contributes over \$100,000 annually toward vital projects and programs that keep your hometown library modern and relevant. The children's summer reading program, teen theatre workshop, self-check-out equipment, and computers for the Village location have all been subsidized by the Friends.

Used book sales are the Friends' principal fundraising effort. Did you know that thousands of quality used books are available not only at the bi-annual sales but also daily at the library and online as well? And, in 2016, the always popular Festival of Wreaths will bring added revenue. Still, the Friends could not meet their \$100,000 commitment to the library without your annual membership donation.

For less than the price of a single hardcover book, you can take pride in knowing that through your Friends' membership you will help sustain and enhance key library services. "Be a Friend." It's a valuable investment in your library's future.

Sincerely,

Charlene Lipka

President
