R.I.D.E. Muskoka (Respecting Individual Differences in Everyone) September 25-27, 2015 / Pow Wow Point Lodge, Muskoka, ON

Every day, children and youth with facial differences face public and social challenges because they look different. Camp Trailblazers provides our youth with a life changing experience to help them cope, manage and embrace their daily journey.

YOU can be a help by participating in R.I.D.E. Muskoka. Funds raised go towards supporting programs including Camp Trailblazers so our youth can be champions too. Bring your friends, your family, or your corporate team, and support AboutFace. Our host for the weekend will be the historic Pow-Wow Point Lodge situated on the shores of the beautiful Peninsula Lake in the heart of Muskoka. They will provide accommodations, meals and cater our banquet dinner and reception. There are two cycling options: for the ambitious cyclists, the Centurion - a 100 km loop circumnavigating Lake of Bays; or for the recreational and novice cyclists, there will be a 25 km loop around Fairy Lake. The entire route is paved and although the terrain is challenging we will be rewarded by enjoying some of the most incredible fall colours found anywhere. Funds raised by this cycling event will support Camp Trailblazers and other AboutFace programs.

5,695 Reasons to Smile!

AboutFace was honoured to be a part of the Georgian College Communicative Disorders program Charity Gala which took place at Georgian College in Barrie on July 24th, 2015. With the gracious effort of our very own volunteer Amanda Lizon and her amazing team, Casey and Catherine, they were able to raise a total of \$5695! The gala consisted of family and friends of graduating students and supporting AboutFace members. There were over 50 auction items, several door prizes, and a special raffle which included two fantastic West Jet tickets! We would like to thank everyone who supported and made the gala the best it could be!

Thank you to all of our donors and sponsors!
