Department of Labor Overtime Pay Ruling

Friday, June 10

Noon—1pm—BYOLunch

Central Jackson County Fire District Training Facility

Attend this meeting to hear about the proposed regulations, to be released in July, by the Department of Labor. If adopted, these changes would raise the salary threshold for employees who are exempt from overtime under the 'white collar exemptions' from the current annual level of \$23,660 to \$50,440. Such a dramatic increase will force employers to decide whether to reclassify employees to nonexempt status or increase salaries to keep them exempt.

You do not have to be a member of the Blue Springs Chamber of Commerce to attend. The session will be held at the Central Jackson County Fire Protection District Training Facility (4715 SW US Highway 40, Blue Springs, MO 64015). **There is no cost to attend.** (Please let us know you will be attending, if possible, by calling 816.229.8558 or emailing plarkin@bluespringschamber.com.)

Presented by Jim Holland who is managing partner of the Kansas City office of Fisher & Phillips. His firm works with employers on how to avoid workplace issues before they become lawsuits.
