Craft Fair Schedules for Middle School Students
All students will be scheduled for a 2 hour and 15 minute shift in the Middle School on Saturday, May 9. The Middle School will be transformed into a special area for kids to play games, make crafts and have fun with our visitors. Students will receive an email with their schedule and location of their assigned shift.

Please drop off your child on time and have them report to the Middle School Check-In Station. They should wear their spirit shirt or a collared shirt as they are serving as ambassadors of Seabury Hall. It is important that they fulfill the complete shift since it impacts the success of the day and other students as well. If you have a questions please send them to Ms. Moka Brown at mokabrown@seaburyhall.org
