

Are YOU an Early Bird?

What's stopping you from becoming an Early Bird? Early Bird registration opens April 15 and continues through June 30.

Current troops can register on-line at www.gsnypenn.org/ebiz

Parents can also register their girls if they have an on-line account, or use a paper form.

Girls who register as "Early Birds" will earn a patch. Troop leaders will receive a 20% off coupon to our council shop. And, here's the best part; service units earn \$2.50 per girl for inviting girls to register early.

Why wait? Claim your spot for another year of fun! Have questions? Email ebiz@gsnypenn.org or call Juanita Porter 607-796-6202 ext. 2520 or Kuyana Tyson ext. 2041.

Here's to another year of turning dreams into reality as girls DISCOVER their path in Girl Scouting.
